

NO WELDING OR PAINTING REQUIRED!

#3213 INSTA BOLT-ON D-RINGS

#3213 INSTA BOLT-ON D-RINGS DESCRIPTION:

These are universal bolt-on D-ring lashing points for shipping containers. Designed for shipping containers that do not have D-Rings welded inside, but also gives you the flexibility to place D-rings where you need them most. This product allows you to add extra lashing points or install D-rings on shipping container end walls - NO welding needed! The D-rings are computer modeled and powder coated dark grey. These D-Rings are easily installed and make securing loads, hanging shelving and other accessories a breeze.

SPECS

- Three (3) D-Rings per box
- Six (6) x 5/16" hardened self-threading bolts
- Three (3) x 1/4" self-tapping screws

FEATURES

- Bolt-on application
- NO welding required
- Laser-cut
- Powder-coated
- Mounting hardware included

WARNING - All products that require installation or fabrication should never be done until you have the product in hand to take exact measurements. While every attempt is made to make sure product specifications are accurate, there is the possibility the products have been updated or a small variance between production made the measurement off. Installation of products may require some fabrication experience, and in no way does warranty cover installation mistakes.
