

NO WELDING OR PAINTING REQUIRED!

#3240 #3241 INSTA LOCK BOX

#3240 #3241 INSTA LOCK BOX DESCRIPTION:

These original INSTA Shipping Container Lock Boxes will keep your stored belongings safe and secure. The INSTA Lock Box is the first shipping container lock box designed to be bolt-on and comes powder coated dark gray so NO welding and NO painting required. This Insta Bolt-On Lock Box is our most popular modification item. The 'Wave' design keeps the lock hidden, protecting locks from being accessible to bolt cutters while allowing easier access when attaching the lock. Lock boxes are available in right and left hand and are best used with our INSTA Pad Lock 6850, INSTA Sobo Block Lock 8080 or Master Lock Pad Lock 6850. However other locks will work.

INSTA Container Modifications is a proud charter member of the National Portable Storage Association (NPSA).

WARNING - All products that require installation or fabrication should never be done until you have the product in hand to take exact measurements. While every attempt is made to make sure product specifications are accurate, there is the possibility the products have been updated or a small variance between production made the measurement off. Installation of products may require some fabrication experience, and in no way does warranty cover installation mistakes.
