## #6044 INSTA RHINO DOOR DESIGN HANDLE (X-82-F-US26D)

### #6044 INSTA RHINO DOOR DESIGN HANDLE (X-82-F-US26D) DESCRIPTION:

This door handle is designed to perfectly fit our 6061/6062 INSTA Rhino Doors, but will fit other commercial doors. The lock chassis is made of steel and coated in zinc dichromate to boost corrosion resistance. The door handle features an anti-sag mechanism to ensure the handle is always in the right position, as well as, clutched lever system for vandal resistance on locking functions. It meets and exceeds ANSI – A156.2, Series 4000, Grade 1 standards and ADA and ANSI A117.1 accessibility codes. Also available for passage doors (no lock and key).

### OPTION

- #6045 INSTA Rhino Door Design Handle **without key**

INSTA Container Modifications is a proud charter member of the National Portable Storage Association (NPSA).

**WARNING** - All products that require installation or fabrication should never be done until you have the product in hand to take exact measurements. While every attempt is made to make sure product specifications are accurate, there is the possibility the products have been updated or a small variance between production made the measurement off. Installation of products may require some fabrication experience, and in no way does warranty cover installation mistakes.
